How it started - 16.4.16

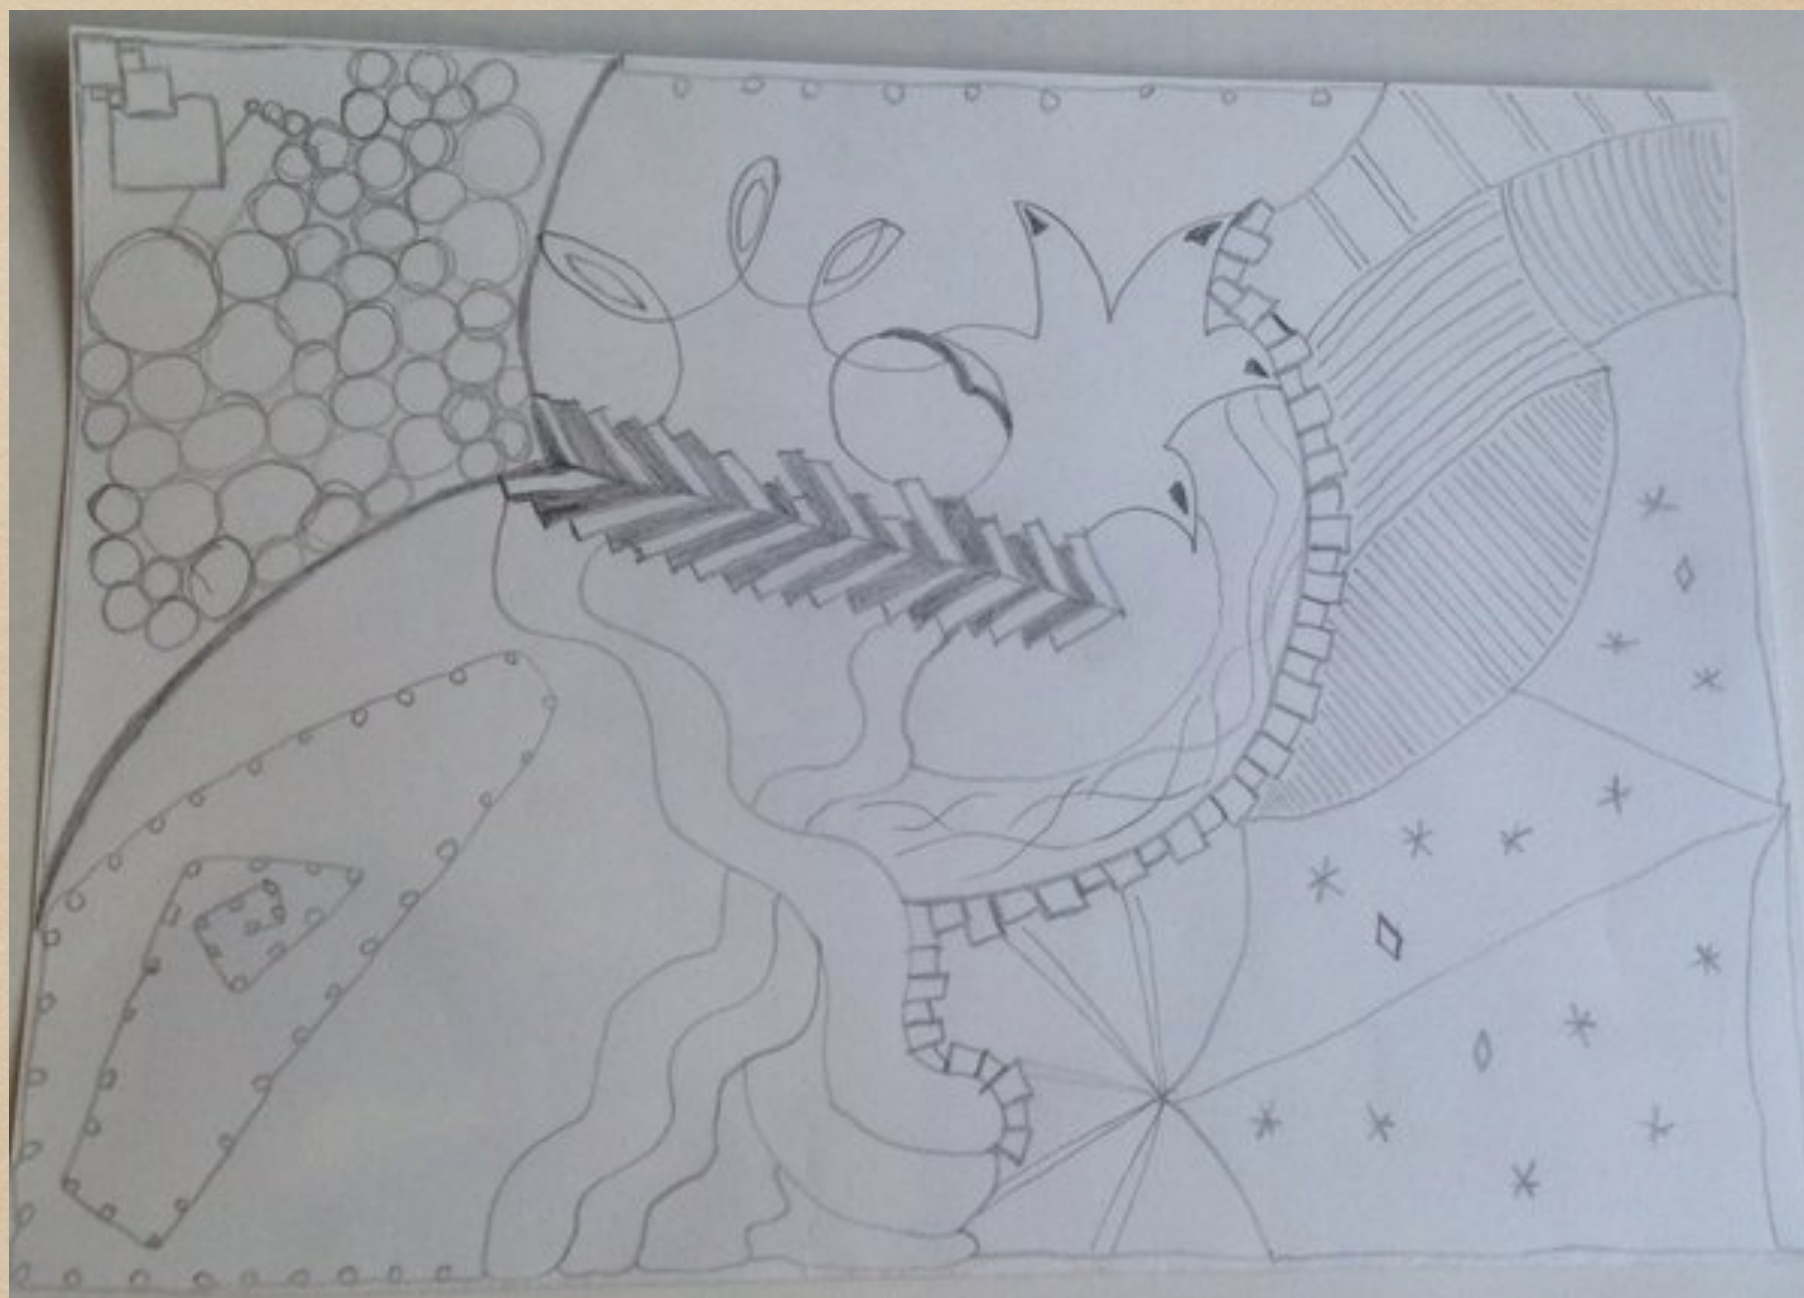

<https://jennymackness.wordpress.com/2016/04/17/grids-gestures-exercise-the-text-behind-my-experience/>

# Grids & gestures exercise

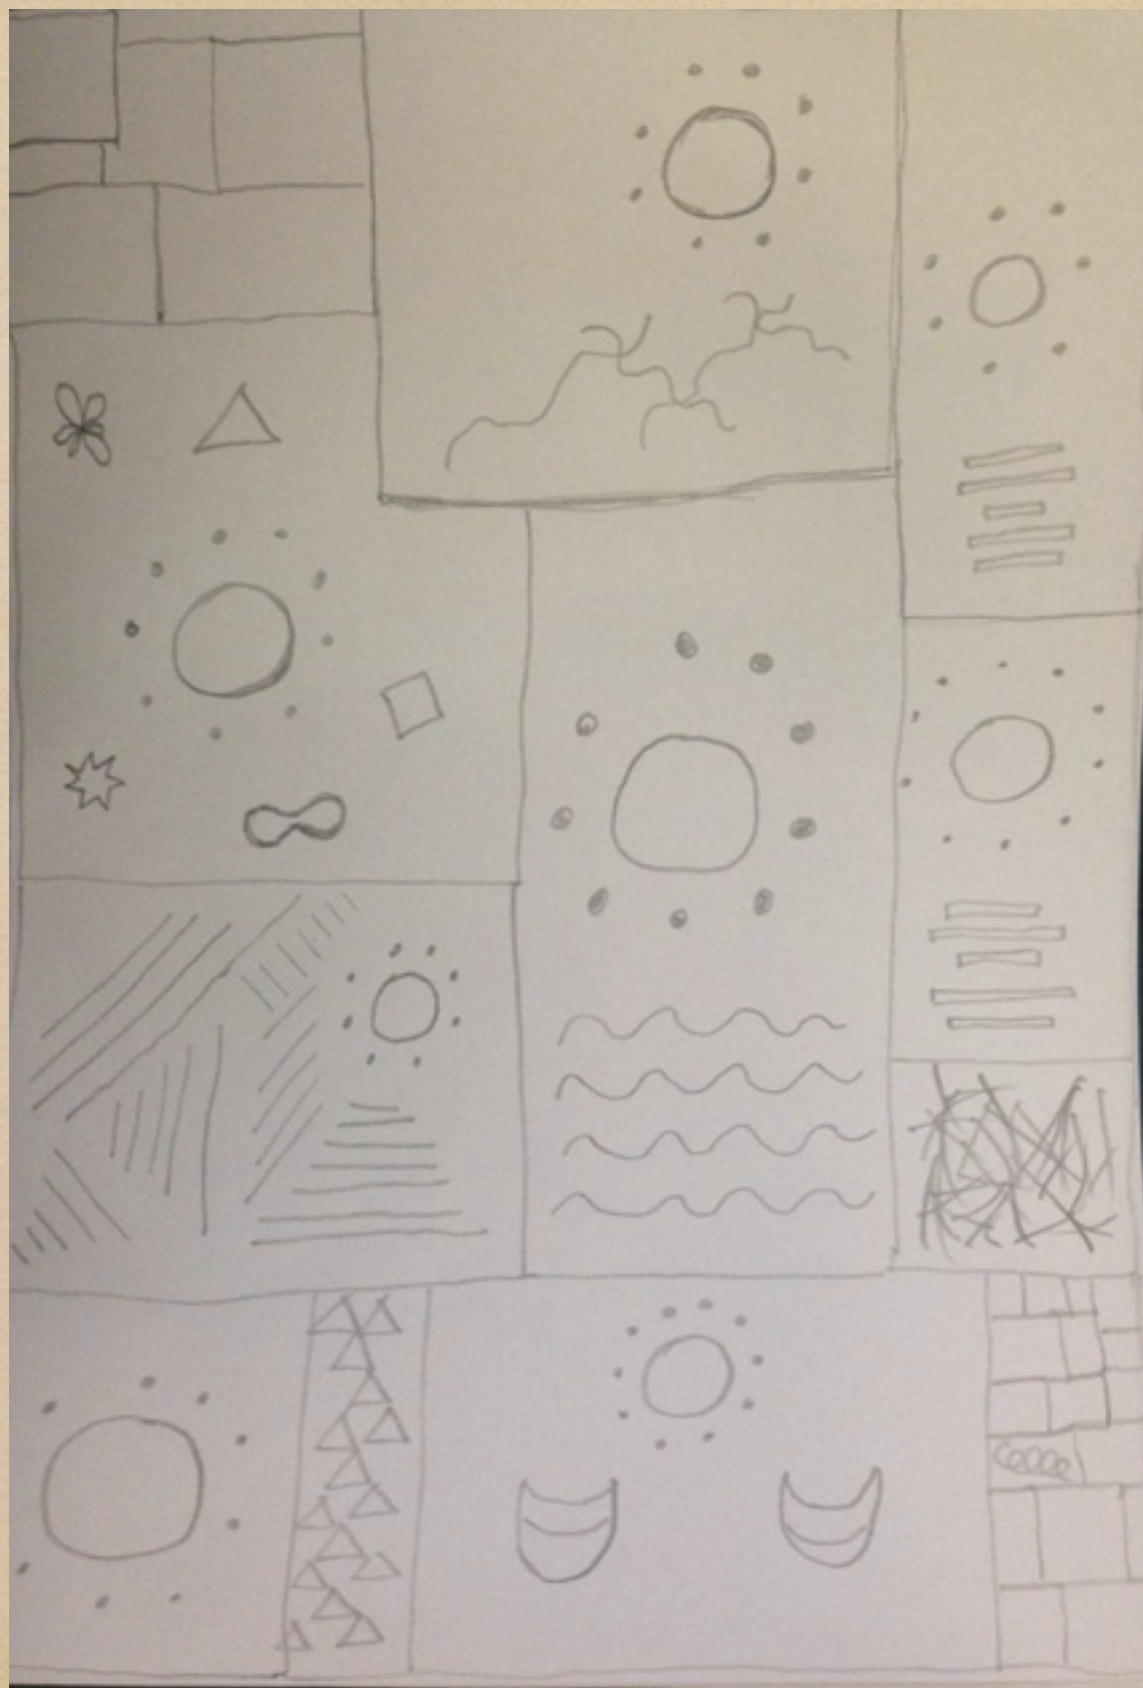

- ◆ Nick Sousanis: Grids and Gestures: A Comic making exercise p3 <http://digitalcommons.unl.edu/sane/vol2/iss1/8/>
- ◆ represent the shape of your day in grid-like fashion
- ◆ use the entire sheet of paper
- ◆ inhabit the spaces with gesture lines
- ◆ do not draw things!

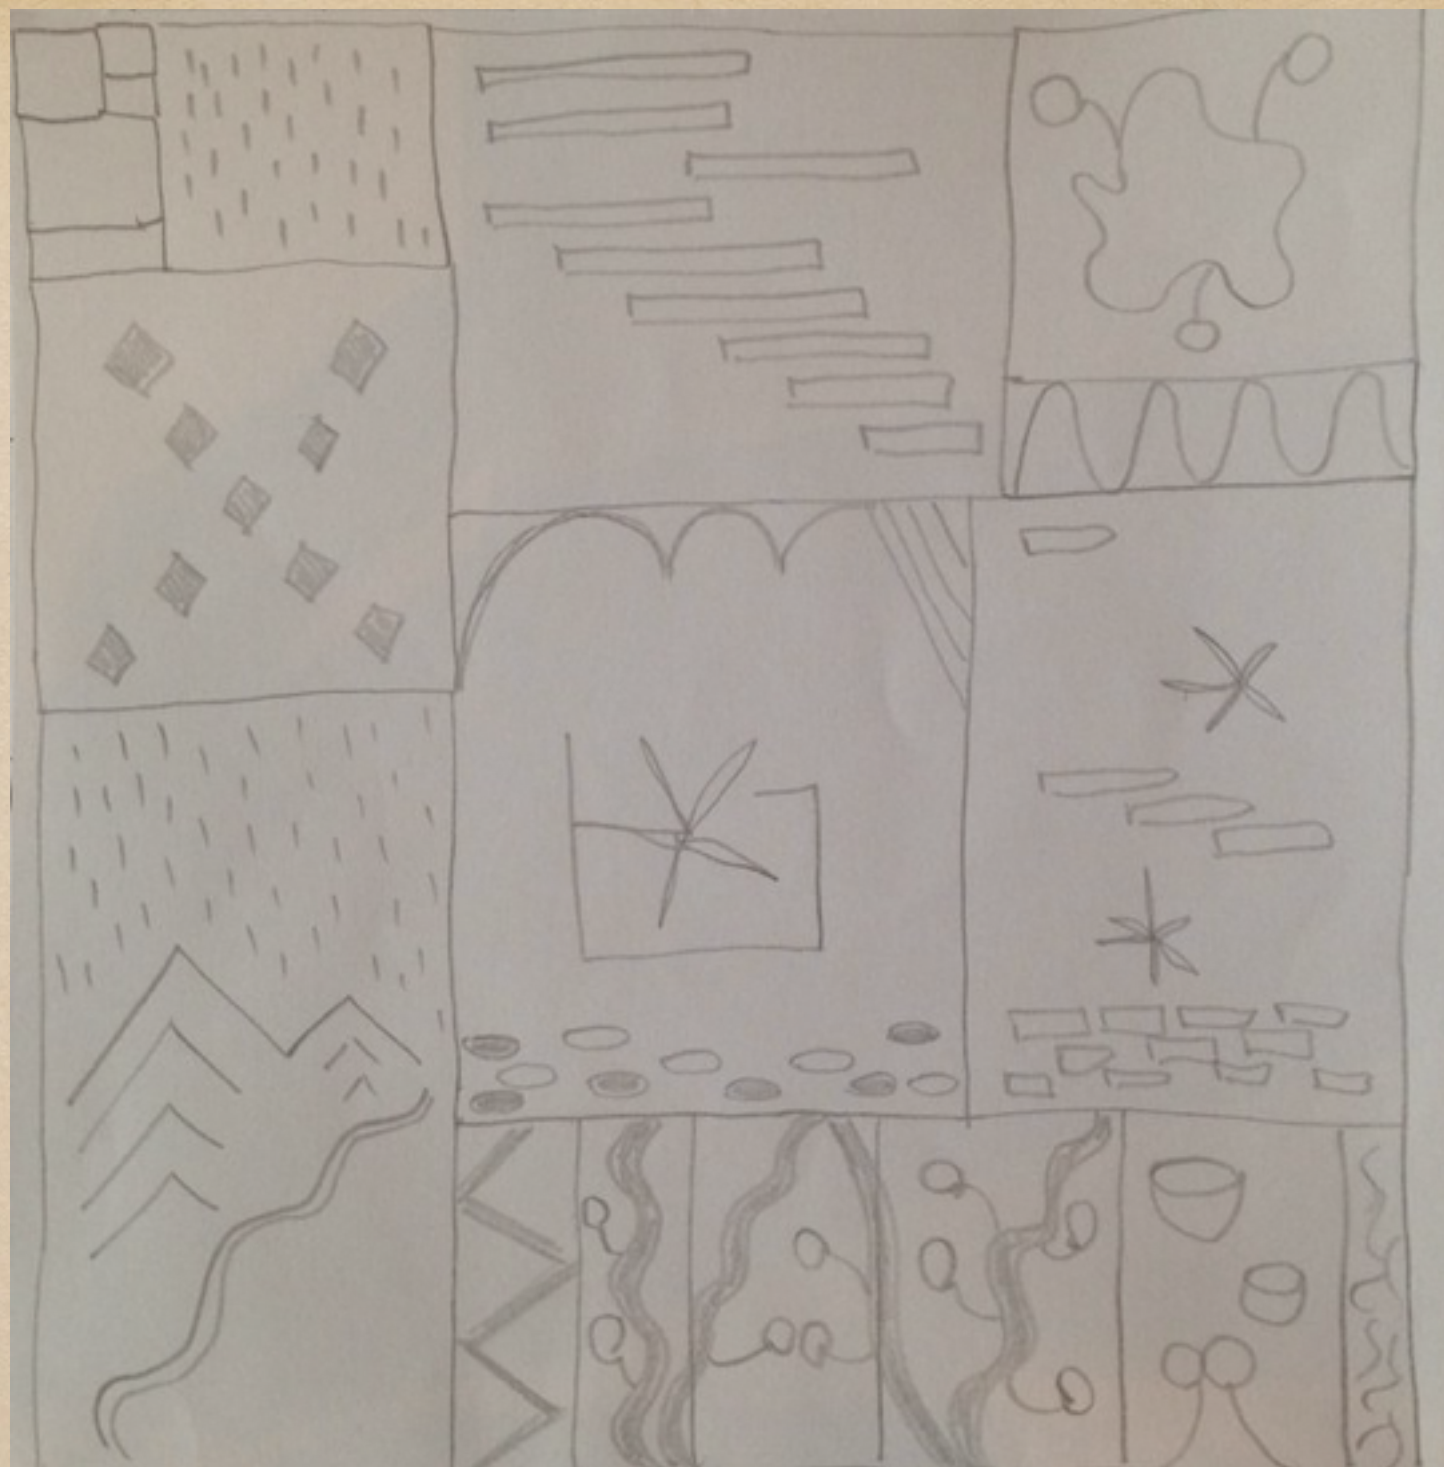

29.4.16 My first try to draw my day as comic  
#gridgestures great exercise of #nsousanis

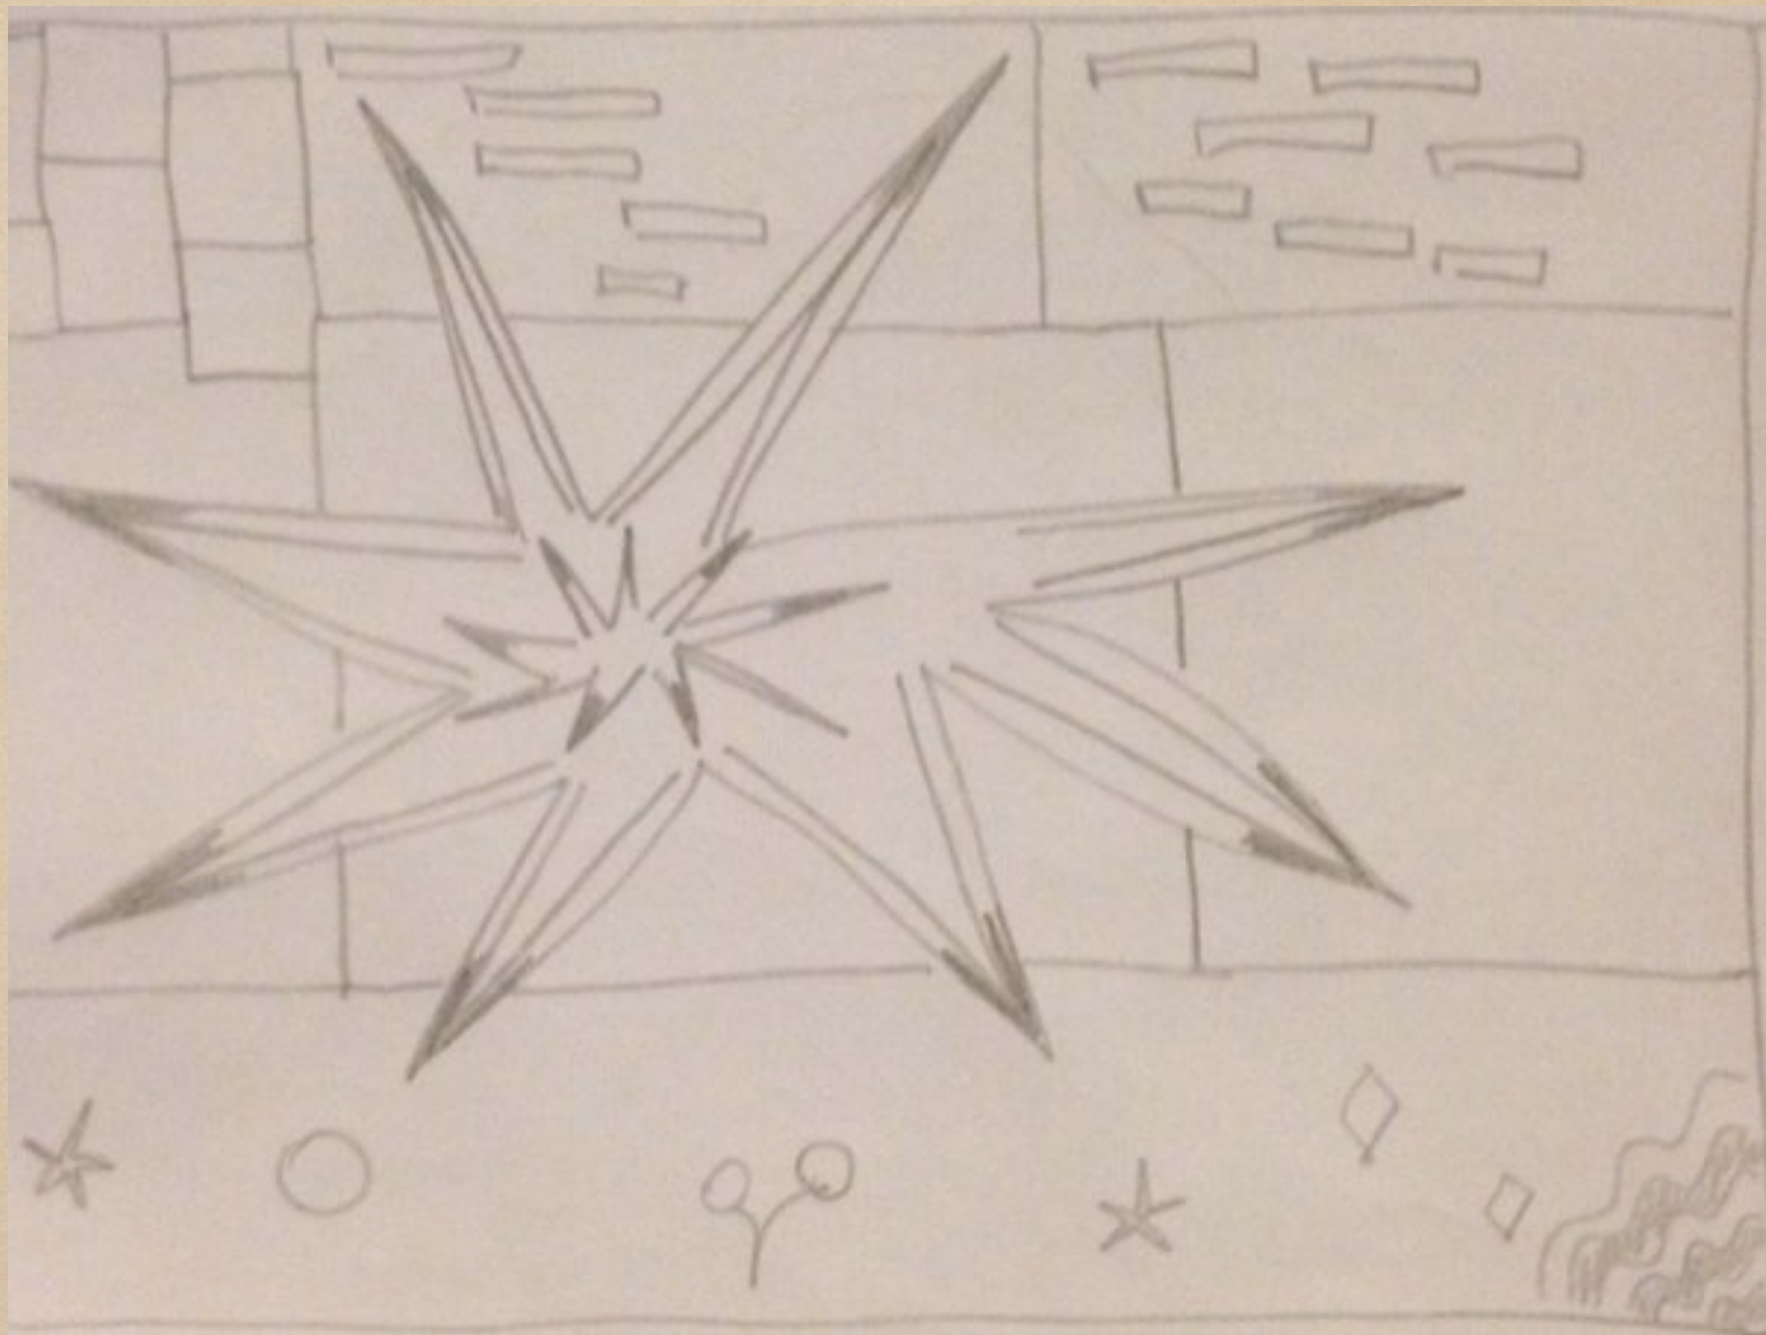

1.5.16 Sunny  
day with little  
Lily and Gert  
#gridsgestures

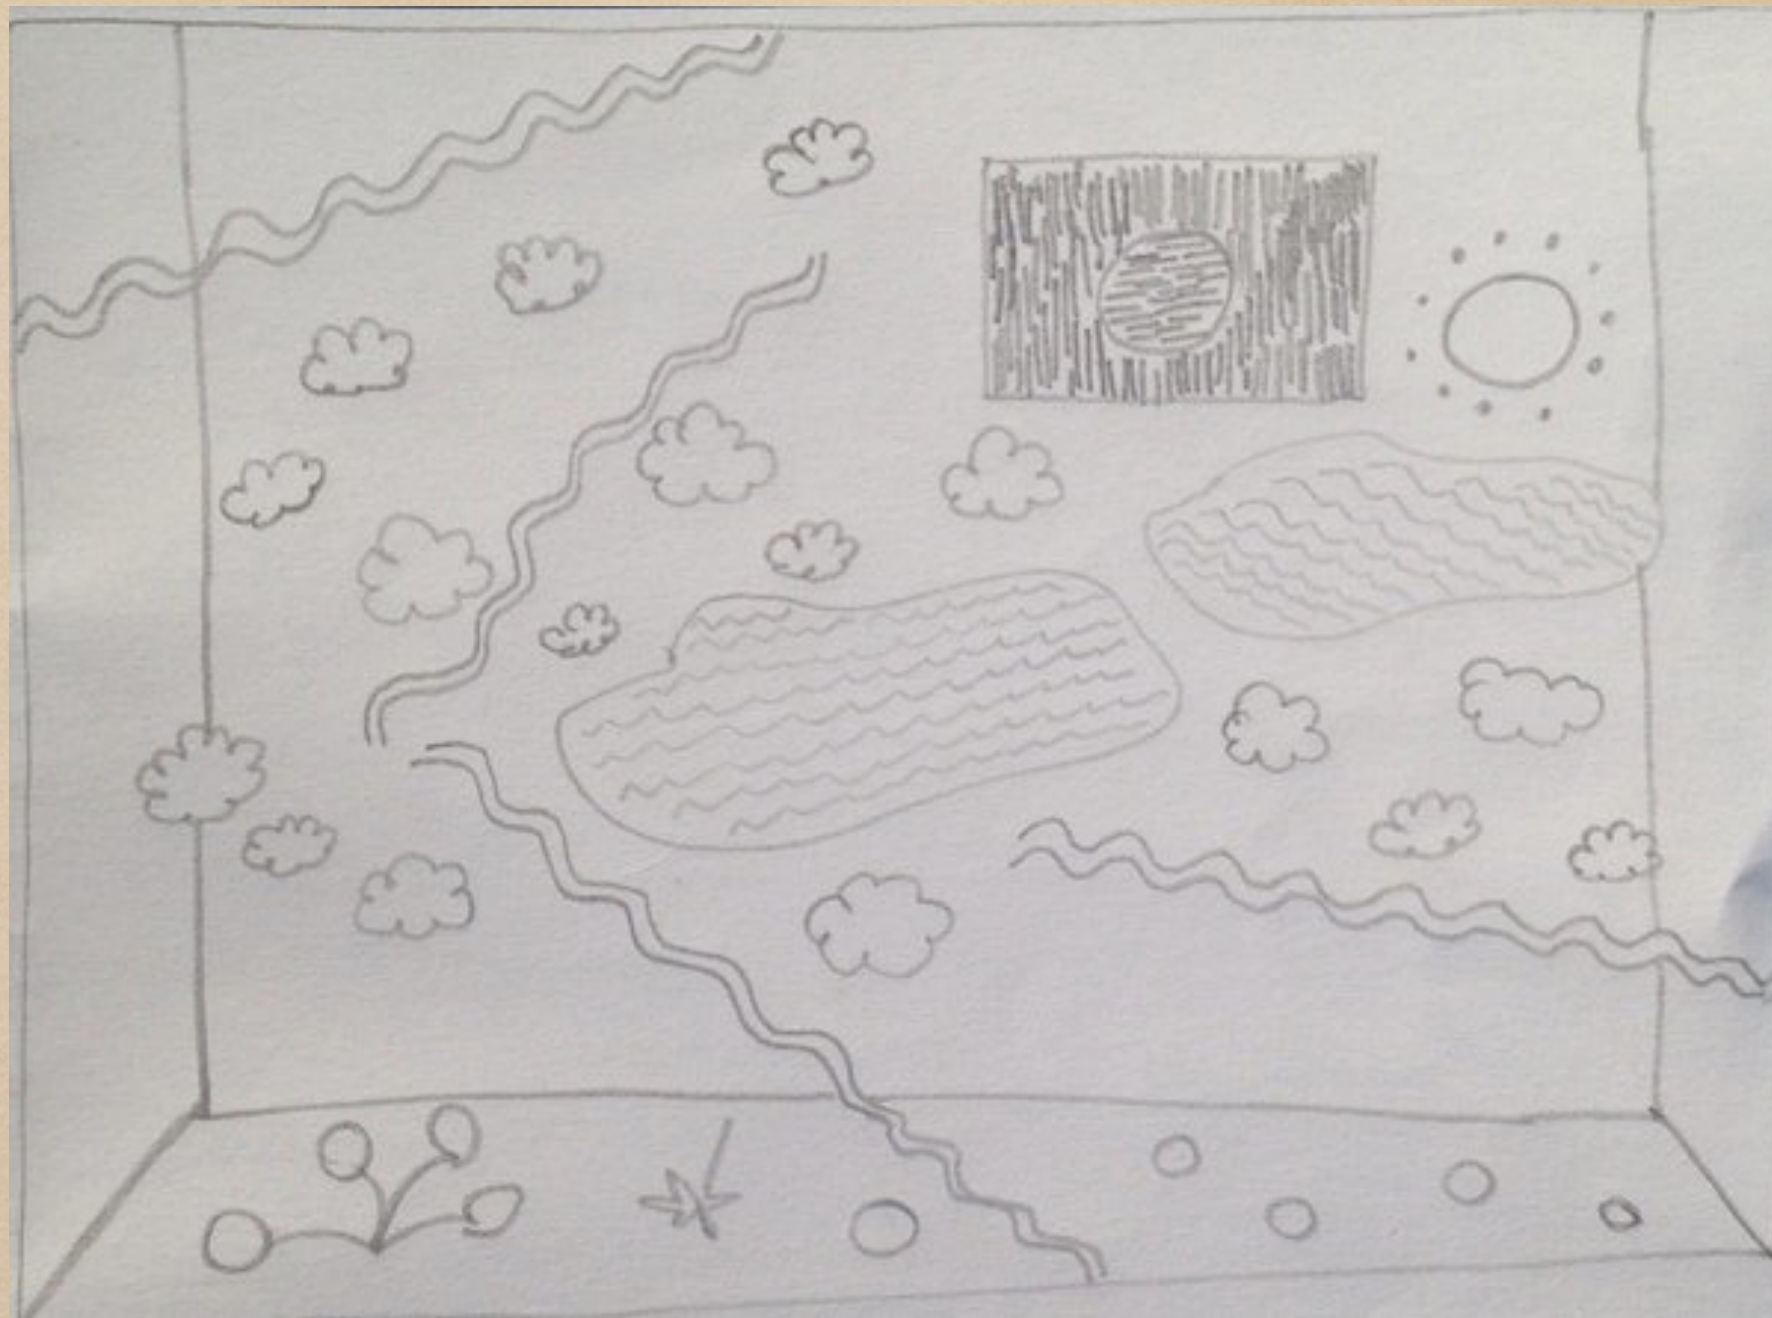

3.5.16 Day in office and traveling #gridsgestures - now  
it's getting easier to draw the day :-)

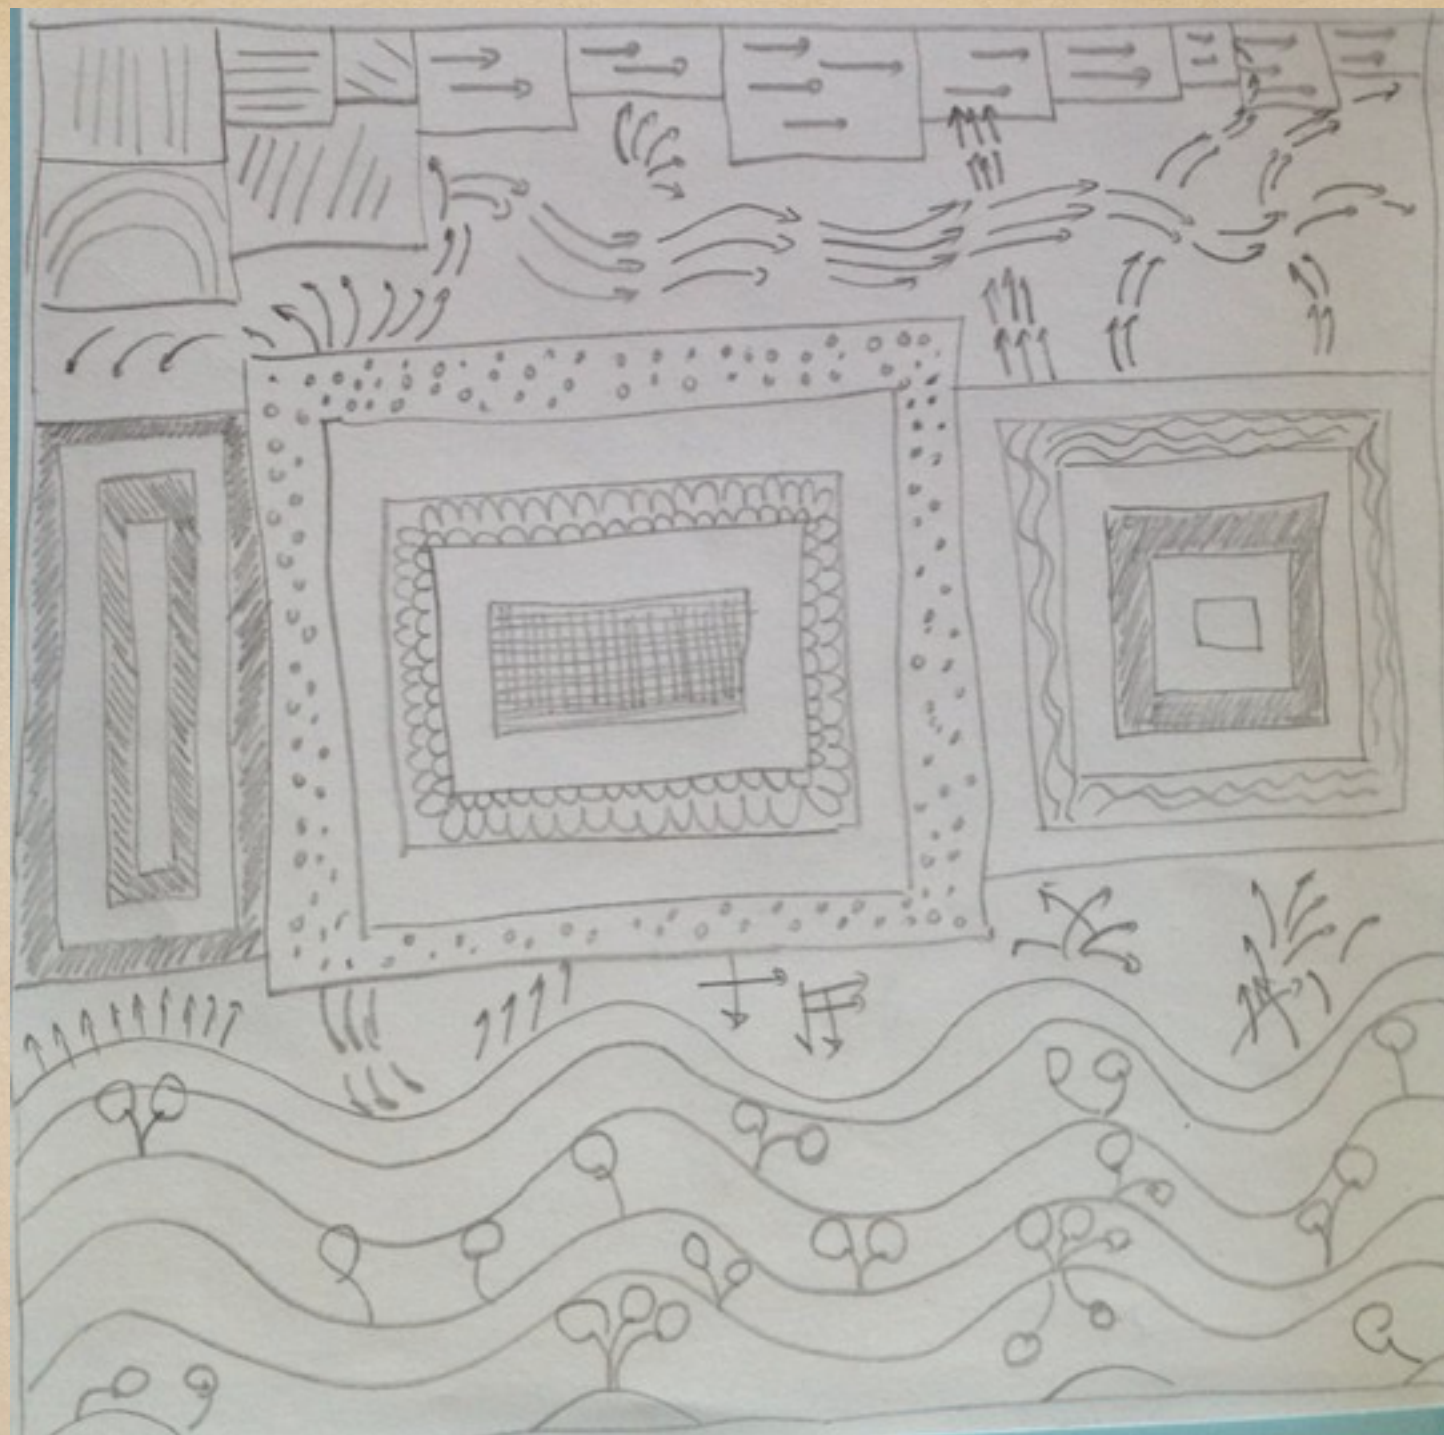

6.5.16 Difficult day with a nice end #gridsgestures

8.5.16 Not possible to put the wonderful day in the Lake District into a grid ...#gridsgestures @jennymackness

17.5.16 The shape of one day in London with my  
#cos15 students #gridsgestures

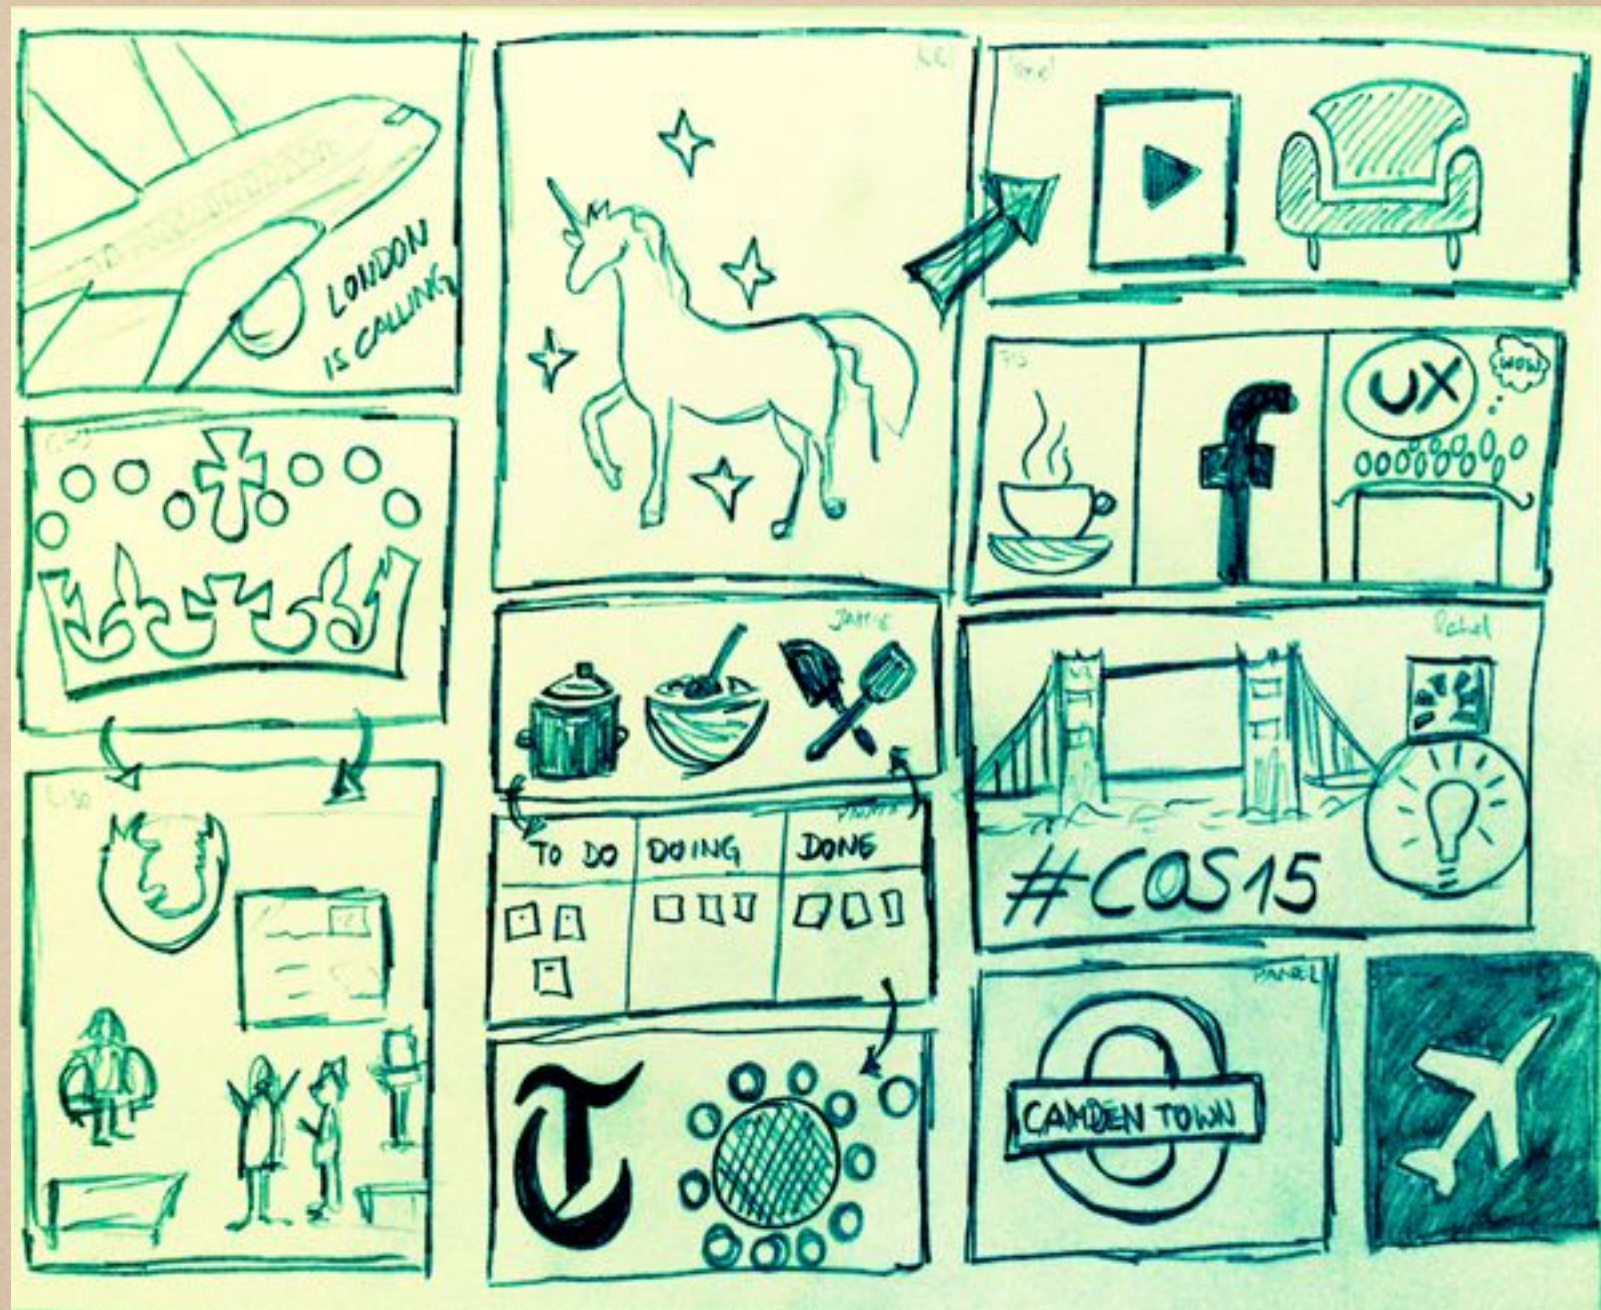

# Unflattening

- ◆ Nick Sousanis: Unflattening <http://www.hup.harvard.edu/catalog.php?isbn=9780674744431>
- ◆ reading and thinking and getting some ideas :)
- ◆ 14.5. E-tivity for my students to use comics in their portfolio
- ◆ Planning a game-based learning workshop for Ukrainian professors

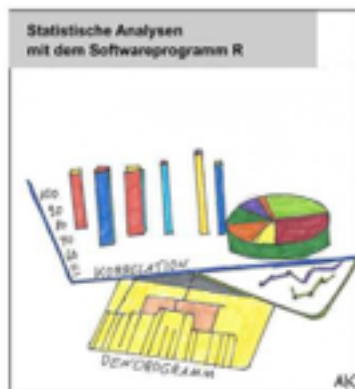

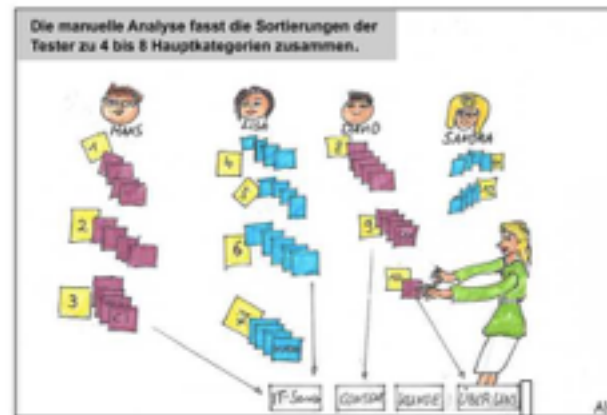

Sue's comic about the study visit in London #cos15

<http://susanne-westbrock.de/2016/05/23/5-regeln-die-ein-contentstrategie-beherzigen-sollte/>

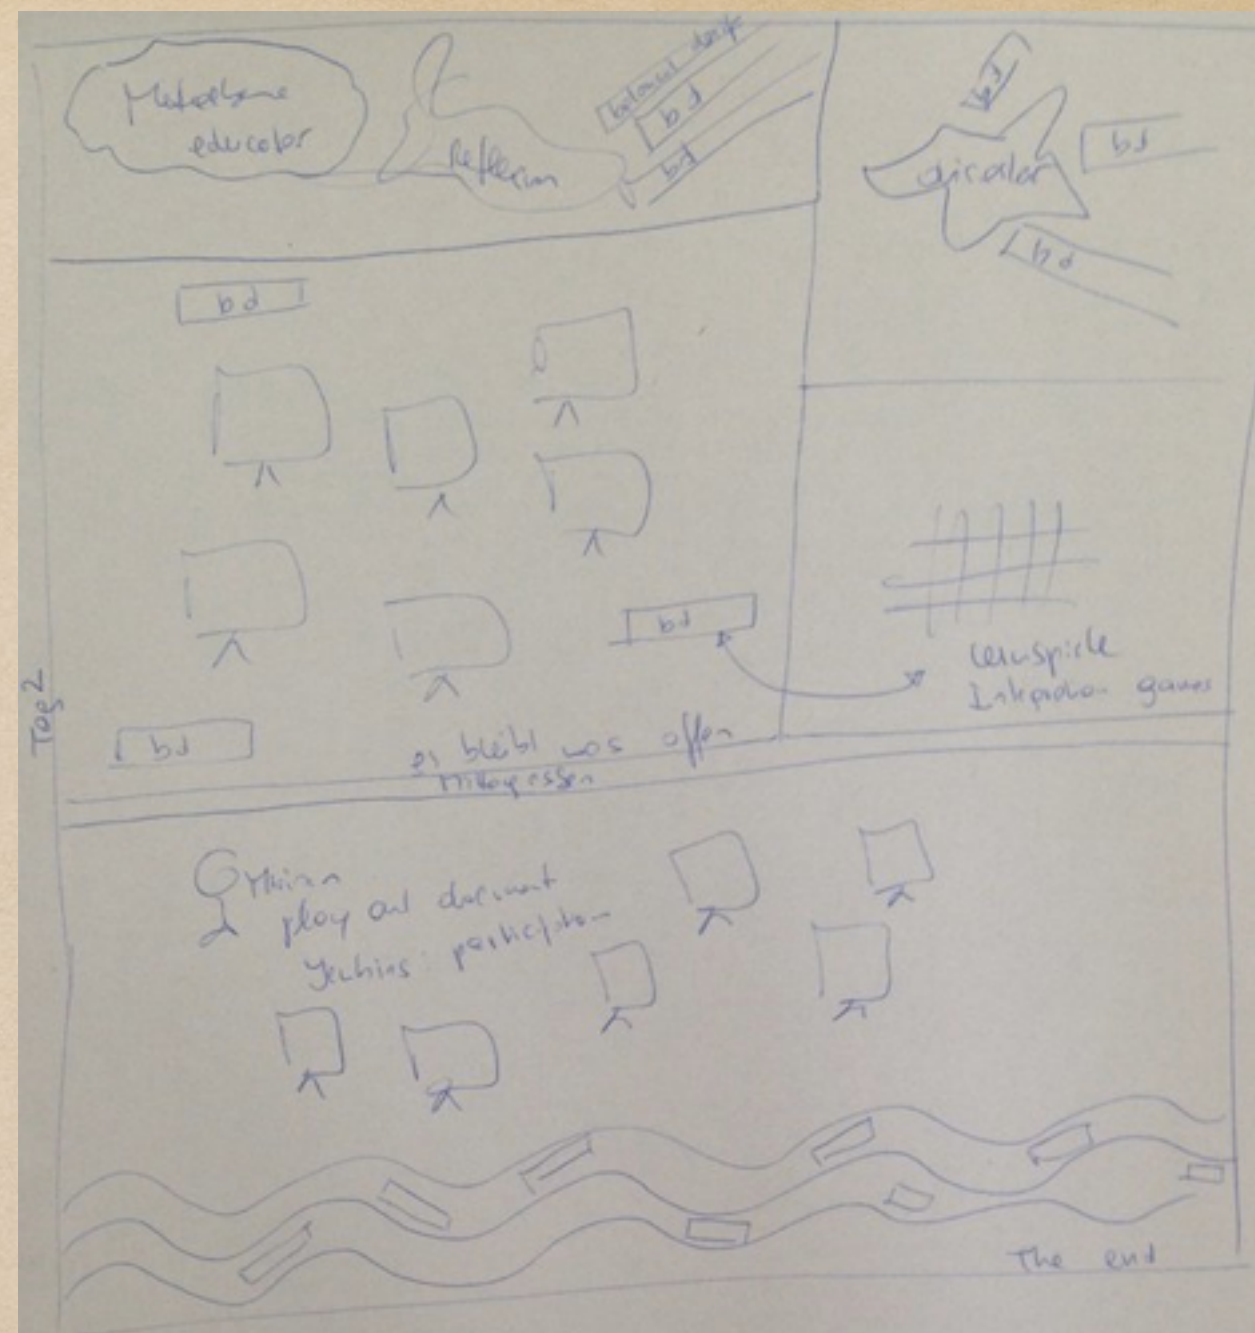

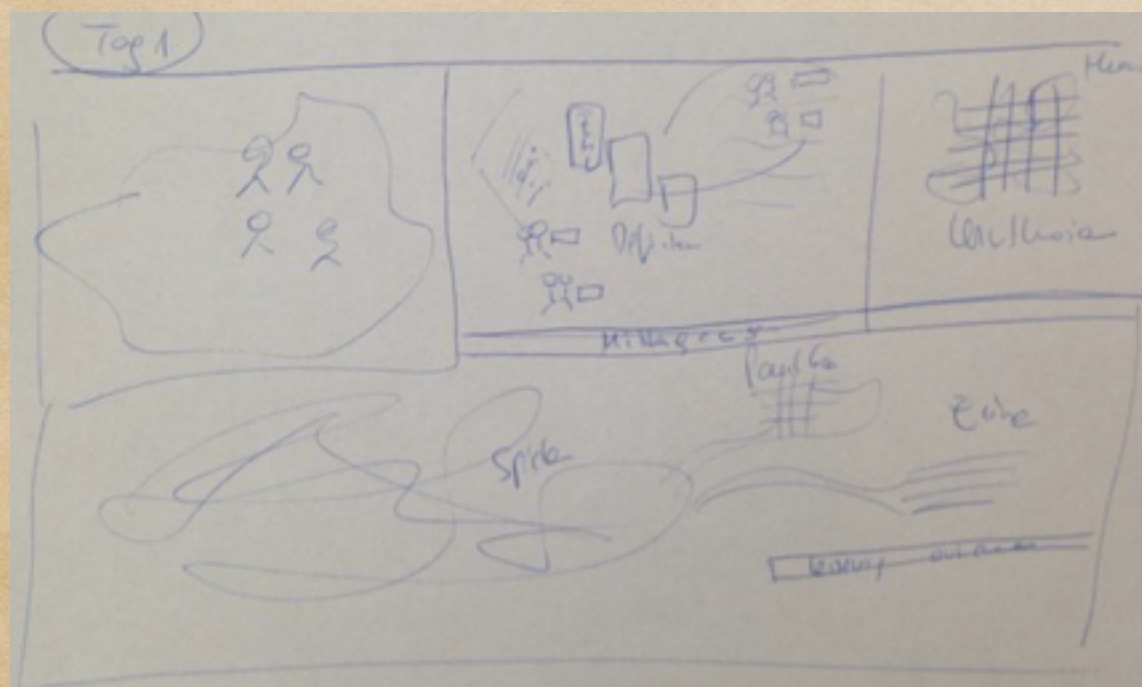

## Andrea's comic about card sorting #cos15

[http://www.kahr-media.de/content\\_strategie\\_-\\_card\\_sorting\\_mit\\_kimmi\\_k.html](http://www.kahr-media.de/content_strategie_-_card_sorting_mit_kimmi_k.html)

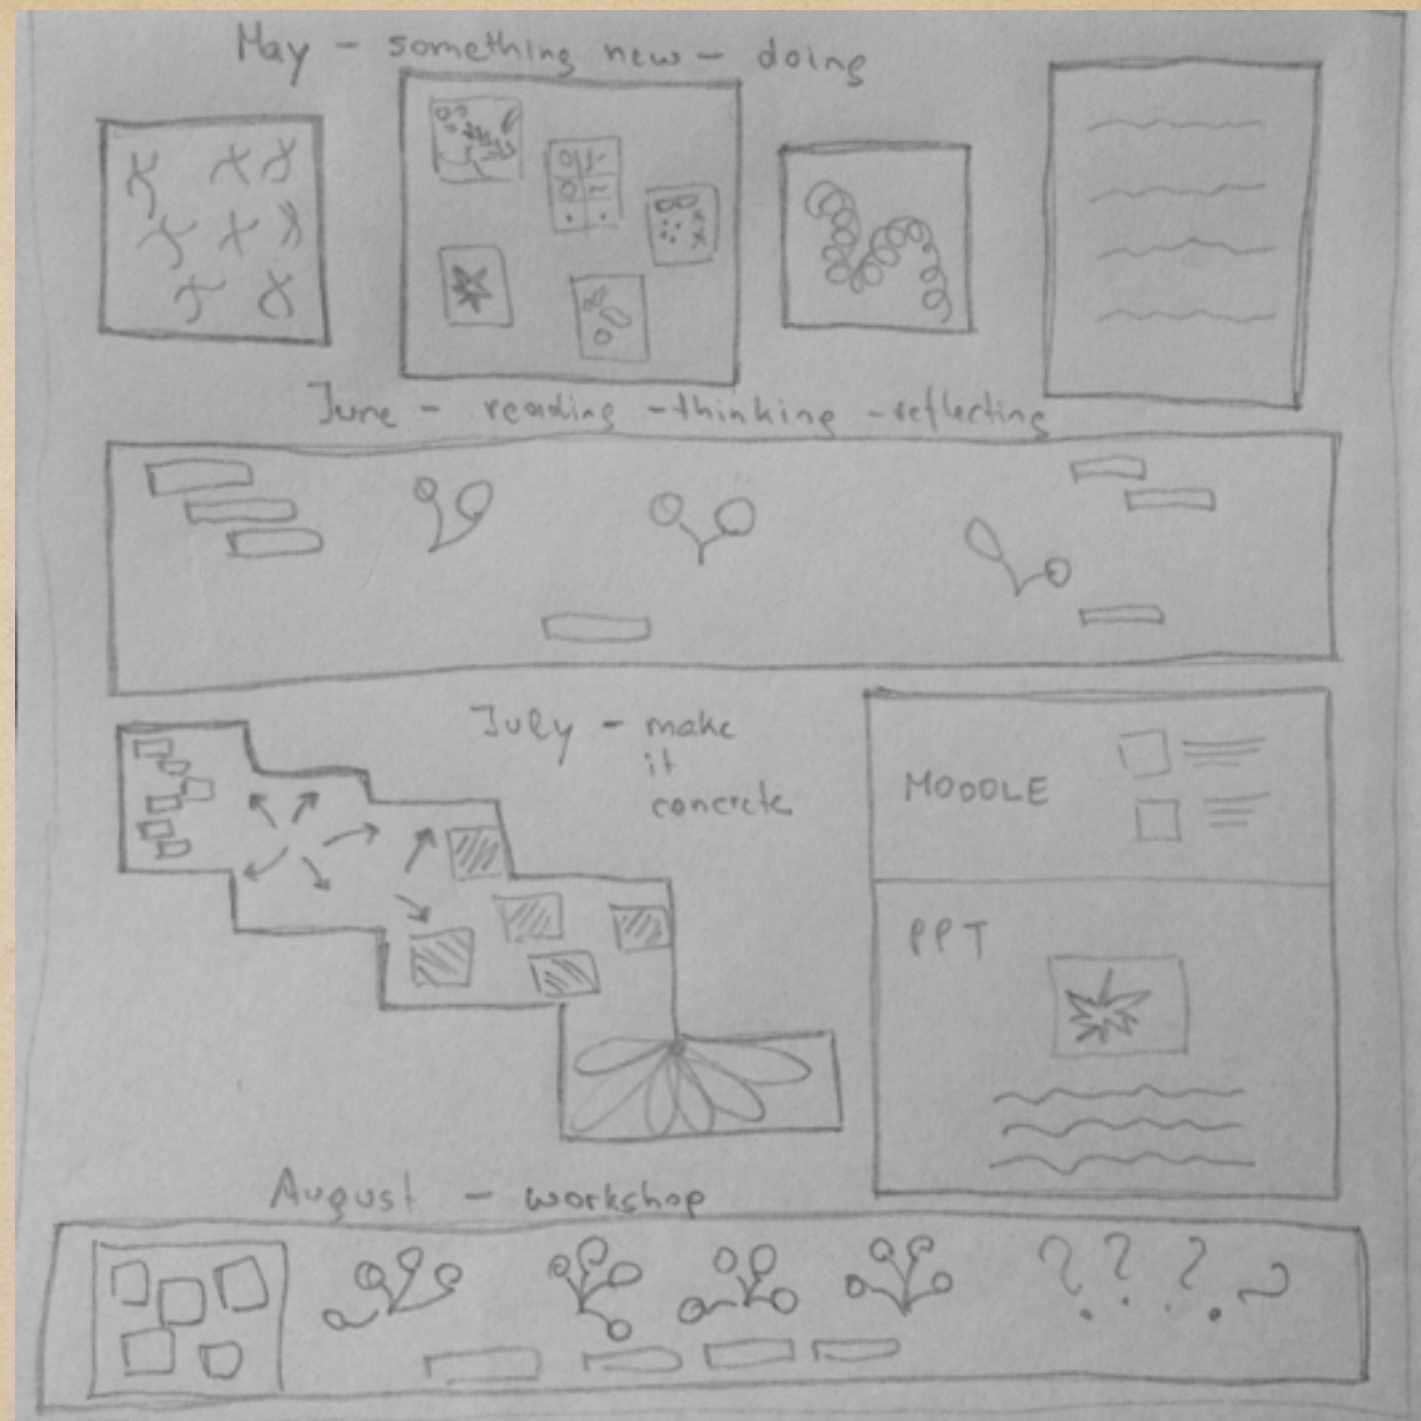

1.6.16 Planning a workshop with a comic helps, thank you, @Nsousanis #gridsgestures

# Comics Workshop in Graz

- ◆ 2.8.16 Workshop „How to use comics to organize and reflect (online) learning processes <https://fh-joanneum.at/en/education/zml-innovative-learning-scenarios/>

Process of preparing a workshop about @Nsousanís  
use of comics #gridsgestures

# Reflection

- ◆ I like to scribble - and I hate to draw pictures
- ◆ I love Mathematics, grids, structures
- ◆ I didn't and don't read comics - I prefer books with as many pages as possible
- ◆ I find the use of grids & gestures comics interesting and fun
- ◆ I will continue to work with comics
